Good day Harold  
It was good to met you last Friday. I'm out in the field away from my documentation of flow meter readings. However, I will give you those numbers once I'm back in touch with them.

Good Day Alex,  
I need to get the meter readings for the Anderson / Christie properties for the past years. Please ask Mr. Scuderi to contact me, I understand he has the meter reads from the past several years.  
Thanks
