Reference: Application G-15817, Permit G-15481

The partial assignment from Donald E. Wells and Patricia L. Wells to Rattlesnake Creek Land and Cattle Company, and subsequent partial assignment from Matthew T. Bixby and Lesley M. Richman to Rattlesnake Creek Land and Cattle Company have been recorded in the records of the Water Resources Department.

The Departments records will now show Rattlesnake Creek Land and Cattle Company and Northwest Farm Credit Services, FLCA as the permit holders of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 135584 and 138346 covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
Water Right Services Division
