Reference: Application S-88472, Permit S-55109

The assignment from Todd Pershing to Little Applegate Farm Holdings, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Little Applegate Farm Holdings, LLC as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 138495 covering the recording fees is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that Application R-88282, Permit R-15227 required complete application of water to the proposed use by June 21, 2022, Application G-18287, Permit G-17931 requires complete application of water to the proposed use by January 4, 2023, and Application S-88472, Permit S-55109, requires complete application of water to the proposed use by January 18, 2023. Within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claims of beneficial use have not been received by the Department.

Sincerely,

Mary F. Bjork
