The Department has reviewed the status of your pump test and any requests for extension(s) or exemption(s) for the following permitted well(s). The results are summarized in the following table:

Application	Water Right	Permitted Well	Pumped Well	Test Date	Request Status	Exemption	Well Name
G 12601	Permit: G 18102 EX	WASH0000943	WASH0000943		REJECTED	Unreas Burden	MIDWAY WELL 3/NEELEY AT
G 12601	Permit: G 18102 EX	WASH0000943	WASH0000943	09/28/2021	APPROVED	None	MIDWAY WELL 3/NEELEY AT

Although an unreasonable burden exemption was requested, a pump test was subsequently submitted for this well on this permit. I am approving the test and rejecting the exemption because it is unnecessary.

Please contact me if you have any questions.

Sincerely,

Halley Schibel
