The Department has reviewed the status of your pump test and any requests for extension(s) or exemption(s) for the following permitted well(s). The results are summarized in the following table:

Application	Water Right	Permitted Well	Pumped Well	Test Date	Request Status	Exemption	Well Name
G 13645	Permit: G 18085 *	LANE0002326	LANE0002326	06/26/2020	APPROVED	None	
G 13645	Permit: G 18085 *	LANE0002741	LANE0002741	03/18/2020	APPROVED	None	WELL 3
G 13645	Permit: G 18085 *	LANE0003360	LANE0003360	08/18/2020	APPROVED	None	
G 13645	Permit: G 18085 *	LANE0068758	LANE0068758	03/11/2020	APPROVED	None	

The pump tests submitted all show a flattening out of the data early in the pump test. It is unclear if this is due to a recharge boundary or due to difficulty with the measurements. Regardless, the pump test meet the criteria of the pump test program and are approved.

Please contact me if you have any questions.

Sincerely,

Michael Thoma
