Re: Amended Water Monitoring Plan for Threemile Canyon Farms, Permit G-15144 <sup>1/2 1 2 2</sup>

Dear Molly:

I believe that we spoke earlier about the draft amendment to this plan, as included in your letter of April 9, 2009. I indicated that the draft could be approved and wanted to follow up that conversation with a letter to that effect. Therefore, consider this letter to be more formal approval for the draft plan.

Please call me at the above number if you have any questions or concerns.

Sincerely,

Michael J. Zwart  
Hydrogeologist
