Subject: Clarification of Lincoln City's Response

Mike,
We would like to clarify Section "V" of Lincoln City's March 14, 2006 response to Miami Corporation's comments on the proposed reservations on Side Creek, Rock Creek, and Treat River. Section "V" of the City's response was intended only to underscore the degree of thoughtful review that OWRD has already undertaken regarding the proposed reservations. The City does not agree with Miami's contention that OWRD has "tied its hands" with regards to the rulemaking and understands that OWRD is obligated by statute to conduct a public rulemaking process for reservations and cannot pre-determine the outcome. We apologize for any confusion.

Thanks,
Ken
