SALEM-- The Water Resources Commission's Ground Water Advisory Committee (GWAC) will meet on Friday, November 7, 2008 at 9:00 a.m. PST. The GWAC will meet by teleconference hosted at the Deschutes Conference Room, North Mall Office Building, 725 Summer St NE, Salem. Members of the public are welcome to attend the meeting at the conference room.

Update on Rulemaking and Legislation

Jerry Rodgers, Administrator of the Technical Services Division, will discuss the progress toward amendments to well construction rules. The Water Resources Commission will consider changes at the late November meeting. Jerry will also speak to the legislative fee proposal for geotechnical holes. Doug Woodcock, Manager of the Ground Water Section, will discuss progress at the exempt ground water use workshops and possible legislation from that effort.

Interstate Agreements on Ground Water

Tim Smith, GWAC Chair, sees the need for Oregon to form agreements with neighboring states on ground water. Tim will frame the issue for possible future committee discussion.
