

**Summary of High Priority Significant Point of Diversion Status  
By Watermaster District (2010 Totals)**

---

**WM District 1 - ( 107 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 60 ( 8 were installed in 2010)  
Diversions in progress getting measurement: 0  
Diversions without measurement installed: 29  
Abandoned Diversions: 18 ( 3 Abandoned currently leased or transferred instream)

---

**WM District 2 - ( 41 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 13 ( 0 were installed in 2010)  
Diversions in progress getting measurement: 5  
Diversions without measurement installed: 18  
Abandoned Diversions: 5 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 3 - ( 69 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 13 ( 2 were installed in 2010)  
Diversions in progress getting measurement: 27  
Diversions without measurement installed: 1  
Abandoned Diversions: 28 ( 11 Abandoned currently leased or transferred instream)

---

**WM District 4 - ( 50 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 34 ( 7 were installed in 2010)  
Diversions in progress getting measurement: 2  
Diversions without measurement installed: 12  
Abandoned Diversions: 2 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 5 - ( 65 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 40 ( 2 were installed in 2010)  
Diversions in progress getting measurement: 3  
Diversions without measurement installed: 1  
Abandoned Diversions: 21 ( 2 Abandoned currently leased or transferred instream)

---

**WM District 6 - ( 118 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 14 ( 4 were installed in 2010)  
Diversions in progress getting measurement: 7  
Diversions without measurement installed: 74  
Abandoned Diversions: 23 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 8 - ( 36 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 28 ( 4 were installed in 2010)  
Diversions in progress getting measurement: 5  
Diversions without measurement installed: 1  
Abandoned Diversions: 2 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 9 - ( 32 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 6 ( 4 were installed in 2010)  
Diversions in progress getting measurement: 18  
Diversions without measurement installed: 5  
Abandoned Diversions: 3 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 10 - ( 120 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 16 (12 were installed in 2010)  
Diversions in progress getting measurement: 7  
Diversions without measurement installed: 88  
Abandoned Diversions: 9 (0 Abandoned currently leased or transferred instream)

---

**WM District 11 - ( 190 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 60 (10 were installed in 2010)  
Diversions in progress getting measurement: 0  
Diversions without measurement installed: 89  
Abandoned Diversions: 41 (3 Abandoned currently leased or transferred instream)

---

**WM District 12 - ( 201 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 15 (1 were installed in 2010)  
Diversions in progress getting measurement: 15  
Diversions without measurement installed: 170  
Abandoned Diversions: 1 (0 Abandoned currently leased or transferred instream)

---

**WM District 13 - ( 280 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 53 (0 were installed in 2010)  
Diversions in progress getting measurement: 14  
Diversions without measurement installed: 89  
Abandoned Diversions: 124 (0 Abandoned currently leased or transferred instream)

---

**WM District 14 - ( 316 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 47 ( 8 were installed in 2010)  
Diversions in progress getting measurement: 15  
Diversions without measurement installed: 134  
Abandoned Diversions: 120 ( 3 Abandoned currently leased or transferred instream)

---

**WM District 15 - ( 236 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 46 ( 0 were installed in 2010)  
Diversions in progress getting measurement: 9  
Diversions without measurement installed: 135  
Abandoned Diversions: 46 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 16 - ( 76 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 36 ( 3 were installed in 2010)  
Diversions in progress getting measurement: 2  
Diversions without measurement installed: 15  
Abandoned Diversions: 23 ( 3 Abandoned currently leased or transferred instream)

---

**WM District 17 - ( 25 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 2 ( 0 were installed in 2010)  
Diversions in progress getting measurement: 2  
Diversions without measurement installed: 20  
Abandoned Diversions: 1 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 18 - ( 21 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 15 ( 0 were installed in 2010)  
Diversions in progress getting measurement: 1  
Diversions without measurement installed: 0  
Abandoned Diversions: 5 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 19 - ( 332 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 65 ( 0 were installed in 2010)  
Diversions in progress getting measurement: 22  
Diversions without measurement installed: 193  
Abandoned Diversions: 52 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 20 - ( 54 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 23 ( 3 were installed in 2010)  
Diversions in progress getting measurement: 5  
Diversions without measurement installed: 15  
Abandoned Diversions: 11 ( 0 Abandoned currently leased or transferred instream)

---

**WM District 21 - ( 16 High Priority Significant PODs in this District)**

Diversions with Measurement installed: 2 ( 0 were installed in 2010)  
Diversions in progress getting measurement: 0  
Diversions without measurement installed: 0  
Abandoned Diversions: 14 ( 6 Abandoned currently leased or transferred instream)

---

Total Diversions With Measurement: 588 ( 68 Measuring devices were installed in 2010, **Statewide**)  
Total Diversions in progress: 159  
Total Diversions Needing Measurement: 1089  
Diversions Abandoned: 549 ( 31 Total Abandoned currently leased or transferred instream)  
**Total High Priority SPODs: 2385**

68 Measuring devices were installed in 2010
