Written material submitted at this work session is part of the official record and on file at the Oregon Water Resources Department, 725 Summer St. NE, Suite A, Salem, Oregon 97301-1271. Audiotapes of the work session are on file at the same address.

**I. Informational Report on 2002 Field Regulation and Enforcement Activities**

Juno Pandian, Enforcement Manager; Tracy Eichenlaub, Well Program Specialist; Jerry Rodgers, Eastern Region Manager; and Darrell Hedin, District 18 Watermaster, reported to Commissioners on the past year's surface water regulation, well program activity, and formal enforcement.

## **II. Informational Report on Artificial Recharge and Aquifer Storage & Recovery Projects in Oregon**

Barry Norris, Technical Services Division Administrator; Donn Miller, Hydrogeologist; and Richard Marvin, Hydrographer, updated the Commissioners on alternatives for applicants to store water below ground in natural aquifer systems. They described the two methods available — artificial recharge, and aquifer storage and recovery — highlighting ongoing projects and potential areas for future projects.

Respectfully submitted,

Diane K. Addicott  
Commission Assistant
