September 12, 2018 Well Constructors
Continuing Education Committee Meeting
And Teleconference

Committee Members Present: Joel Jeffery
Committee Members Teleconferencing: Kevin Gill, James (Jim) Mack
Absent: Ryan Galbreth
Others Present: Buffy M Gillis (OWRD)

A) Introductions and Acknowledgements:

B) Review of June 27, 2018 Continuing Education Committee Meeting Minutes.

C) Kevin Gill requested that Buffy Gillis contact the National Drilling Association regarding credit for exhibition. The course sponsor form for exhibition has been received and is up for review during today's meeting.

The Cont. Ed Committee reviewed the courses that comprised:

➤ National Drilling Association 2018 Convention (Ohio, September 20-21)

Chilean Miners Rescue: When Failure is Not an Option: Kevin Gill motioned to assign 1.50 credits in the General Category. Joel Jeffery seconded the motion. Motion carried all in favor.

Case Study—Expansion Lock and Dam Project: Jim Mack motioned to assign 1 credit in the General Category. Kevin Gill seconded the motion. Motion carried all in favor.

Environmental Drilling: Joel Jeffery motioned to assign 1 credit in the General Category. Jim Mack seconded the motion. Motion carried all in favor.

Safety: When it Blows Apart: Jim Mack motioned to assign 1 credit in the Safety Category. Kevin Gill seconded the motion. Motion carried all in favor.

Environmental Innovations—When we ask “What if?” Joel Jeffery motioned to assign 1 credit in the General Category. Kevin Gill seconded the motion. Motion carried all in favor.

New Down-Holes Tools to Improve Core Drilling Efficiency: Jim Mack motioned to assign 1 credit in the General Category. Kevin Gill seconded this motion. Motion carried all in favor.
