Well Constructors Continuing Education
Committee Meeting And Teleconference

Committee Members Present:

Committee Members Teleconferencing: Kevin Gill, James (Jim) Mack, Travis Kelly (OWRD)

Committee Members Absent: Ryan Galbreth

Others Present: Buffy M Gillis (OWRD), Linda Walker (OWRD)

A) Introductions and Acknowledgements:

B) Review of October 20, 2020 Continuing Education Committee Meeting Minutes.

C) The Cont.Ed Committee reviewed the courses that comprised:

American Ground Water Trust Webinar:

- **“Technical and Economic Issues Related to Water Well Performance”, 25 minutes.**
Travis motioned to assign 0.50 CEC in the General category. Kevin seconded the motion. The motion carried all in favor.
- **“Well Hydraulics—Essential Background to Optimize Well and Pump Efficiency”, 48 minutes.** Travis motioned to assign 1 CEC in the General category. Jim seconded the motion. The motion carried all in favor.
- **“Declining Well Yield Problems—Causes, Diagnosis, and Rehabilitation Solutions”, 88 minutes.** Jim motioned to assign 1.50 CECs in the General category. Travis seconded the motion. The motion carried all in favor.
- **“Principles of Efficient Well Design”, 35 minutes.** Jim motioned to assign 0.50 CEC in General category. Kevin seconded the motion. The motion carried all in favor.
- **“Hydraulic Efficiency & Economic Benefits of Flexible Pipe for Water Well & Irrigation Applications”, 44 minutes.** Travis motioned to assign 0.50 CEC in the General category. Jim seconded the motion. The motion carried all in favor.
- **“The Uses of Chemicals for Restoring and Maintaining Performance of Water Wells”, 43 minutes.** Jim motioned to assign 0.50 CEC in the General category. Travis seconded the motion. The motion carried all in favor.
- **“Intelligent Pump Variable Frequency Drives”, 48 minutes.** Jim motioned to assign 0.50 CEC in the General Category. Kevin seconded the motion. The motion carried all in favor.
- **“Selection and Maintenance of Pumps to Minimize Operation and Maintenance Costs”, 42 minutes.**

WorldWide DownHome DrillFest

- **“Water Well History and Drilling, A Common Sense Approach”, 50 minutes.** Jim motioned to assign 1 CEC in the General category. Kevin seconded the motion. The motion carried all in favor.

- **“Drill Rig Safety”, 50 minutes.** Travis motioned to assign 1 CEC in the Safety category. Kevin seconded the motion. The motion carried all in favor.
- **“Mud Rotary-Based Advanced Drilling”, 50 minutes.** Committee requests a course outline to approve CECs.
- **“Drilling/Pump/Well Development Presentation and Discussion Q&A, 50 minutes.** Committee requests a course outline to approve CECs.
- **“Drill Rig Maintenance & Safety 101, 50 minutes.** Travis motioned to assign 1 CEC in the Safety category. Kevin seconded the motion. The motion carried all in favor.
- **“Downhole Video”, 50 minutes.** Kevin motioned to assign 1 CEC in the General Category. Travis seconded the motion. The motion carried all in favor.
- **“12 Critical Traits for Profitable Business Growth”, 50 minutes.** Jim motioned to assign 1 CEC in the General category. Kevin seconded the motion. The motion carried all in favor.

Utility Notification Center: Oregon 811

- **“Excavation Safety 101”, 60 minutes.** Travis motioned to assign 1 CEC in the Safety category. Kevin seconded the motion. The motion carried all in favor. (Submitted by Dan Fischer, #10692)
