

2013 Washington Hydrogeology Symposium

When: April 23-25, 2013

Where: Hotel Murano
1320 Broadway Plaza
Tacoma, Washington 98402

Cost: varies, \$150 and up

Organized by: Washington Department of Ecology and the U.S. Geological Survey

Contact: Mary Jane Shirakawa (206) 221-3936, e-mail mjshir@u.washington.edu or their website <http://depts.washington.edu/uwconf/hydrogeo/> for additional information.
Registration and general inquiries: wahgs@uw.edu

This course has been assigned two (2) continuing education credits (CECs) in the Oregon well laws and rules category for the Oregon rules session and three (3) CECs for the afternoon drilling session.

Part of the agenda includes:

Well Drilling Workshop

Thursday, April 25, 2013, 8:00 AM - 4:00 PM

Presentations will briefly discuss the state-specific laws governing the drilling of geotechnical holes, water wells and monitoring wells, including notices and reporting requirements for drillers, geologists, and engineers. The workshop will also offer classroom training on Ecology's new well report database. The workshop will also include an off-site drilling demonstration. This workshop is authorized to provide 2.0 hours of continuing education units (CEUs) for Washington rules and 2.0 hours of continuing education credits (CECs) for Oregon rules.

Workshop Presenters: Bill Lum, WA Dept. of Ecology, blum461@ecy.wa.gov, (360) 407-6648

Contact: Angie Goodwin, angie.goodwin@hartcrowser.com, (206)324-9530

Cost: \$100 for Symposium registrants. \$200 for Driller Workshop only (not registered for the Symposium). Fee includes box lunch.

Maximum: 50

Special Considerations: Be prepared for the chill of spring in Western Washington. Sturdy shoes, sunglasses, sunscreen, jacket or sweater, and raingear are recommended.
