2015 Legislative Concepts

- **Transfers and Leases of Determined Claims**
- **State Commitments in the Klamath Basin Restoration Agreement**
- **Implementation of the Upper Klamath Settlement**
- **Department granting and contracting authorities**
- **Irrigation District Transfers within Boundaries**
- **Annual Water Right Management Fee**

Discussion

- **What should the Department consider in determining whether to move these concepts forward?**
- **Are there any concerns?**
- **How can we position these concepts successfully?**

Thank you!
