

Oregon Ground Water Association 2008 Spring Technical Seminar

When: March 6, 2008 - First Aid/Hazmat
March 7-8, 2008

Location: Keizer Renaissance Inn
5188 Wittenberg Lane N
Keizer, Oregon 97303

Cost: \$140 member
\$160 non-member

Contact and for more information: Nancy Sippel, Administrative Coordinator, OGWA,
503 390-7080 or website <<www.ogwa.org>>

The Well Constructor Continuing Education Committee has assigned continuing education credits (CECs) to the courses at this seminar as follows:

- For the course “In the Hopper” Steve Schneider, Schneider Equipment Inc., two (2) hours, *two (2) CECs in the OR gw/well laws category*;
- For the course “Steel Pipe & Casing - What Drives the Market and How It Affects the Industry” Jamey Mathews, Kelly Pipe Company, one (1) hour, *one (1) CEC*;
- For the course “Basic Sizing & Troubleshooting of Drive Units - Best Applications & Servicing of Units” Tim Doherty, CPS/Preferred Pump, one (1) hour, *0.5 CEC*;
- For the course “Elements for Driver Qualification & Driver Safety and Hands-on Truck Safety Inspection on a Drill Rig” Chuck Adams, Oregon Department of Transportation, two (2) hours, *two (2) CECs*;
- For the course “Insuring Microbiological Water Safety - UV and Chlorination Comparison” Allen Hurtado, United Pipe & Supply, one (1) hour, *one (1) CEC*;
- For the course “Beyond Softeners and Iron Filters: When a softener or iron filter isn’t enough - What to do for some “other stuff” found in well water” Gabe Ergler, O3 Water Systems, one (1) hour, *one (1) CEC*;
- For the course “What Happens to a Water Sample When it Gets to the Lab” Beth Meyers, Waterlab Corp., one (1) hour, *one (1) CEC*;
- For the course “Creating Effective Company Policies for the Ground Water Industry” Laura A. Schroeder, one (1) hour, *one (1) CEC*;
- For the course “How Much is Enough? Making Decisions in the Water Well Industry” F. Michael Krautkramer, Robinson, Noble & Saltbush Inc., one hour and 30 minutes, *1.5 CECs*;
- For the course “Exempt Wells and Ground Water Surface Water Interaction” Steve Schneider, Schneider Equipment Inc., one (1) hour, *one (1) CEC*;
- For the course “How to Provide Better Service to Your Clients by Understanding Their Water Right Permit Requirements” Greg Kupillas, one (1) hour, *one (1) CEC in the OR gw/well laws category*;

- For the course “Cementing as a Grout - the use of additives for Grouting” Kirby Donald and Jack Sowers, Baroid, one (1) hour, *one (1) CEC*;
- For the course “Pump Installation Cost Calculator” Scott Fowler, Dahlma Pump & Well Drilling, one (1) hour, *0.5 CEC*;
- For the course “Overview of Geothermal Systems” Mike Golightly, ISCO Industries, one (1) hour, *one (1) CEC*;
- For the course “Basic Motor Controls” Mitch McClannahan, Selectric, one (1) hour, *0.5 CEC*.
- For the course “Drilling Roundtable Discussion”, one (1) hour, *one (1) CEC*.
