# Policy Advisory Group Next Steps

- Next meeting rescheduled for Tuesday, June 28
- PAG to complete a homework assignment

**Proposed Topic Area:** proposed topic name or description from previous PAG input

**Recommended Action:** Staff noted corresponding actions from 2012 IWRS; if there was no corresponding recommended action, we noted where this might fit.

**Overview of Progress to Date:** Summary of known progress to date. (Corresponds to IWRS recommended actions & sub-bullets). If no progress, so noted.

**Your thoughts/suggestions:** This space is for PAG members to make notes such as—

- *If the topic area reflects what you shared in the first meeting or if you want to refine the topic.*
- *Whether this is a request for additional information, or a request for action.*
- *Whether existing recommended actions address your concerns.*
- *Whether or not you want to prioritize tackling this topic.*

*PAG members, please work through these questions for each issue and document your thoughts prior to the next meeting*
