Stats. Implemented: ORS

RULE SUMMARY

The Water Resources Commission repealed OAR Chapter 690, Divisions 50 and 74 regarding hydroelectric projects because they are no longer necessary.

OAR Chapter 690, Divisions 50 and 74 were superseded in 1986 with the adoption of OAR Chapter 690, Division 51 (Appropriation and Use of Water for Hydroelectric Power and Standards for Hydroelectric Applications). OAR Chapter 690-051-0020(3) specifies that rules divisions 690-050 and 690-074 apply only to hydroelectric projects defined in Section 27, Chapter 569, Oregon Laws 1985. Those projects were specified as projects greater than 25 megawatts for which funding was approved by a city before May 15, 1985. Since no such projects are pending, OAR Chapter 690, Divisions 50 and 74 were repealed. All hydroelectric projects will be reviewed under OAR Chapter 690, Division 51.
