DIVISION 80
PROGRAMS FOR AND
WITHDRAWALS FROM CONTROL
AND USE OF STATE'S WATER RESOURCES

Resume of Programs for Control and Use of State Water Resources
690-80-000 [Renumbered to 690-500-010]

**Suspension of Minimum Flows for Municipal Use on the South Umpqua River,
Cow Creek and Canyon Creek**
690-80-005 [WRD 6-1981(Temp),
f. & ef. 8-25-81]

**Resume of Withdrawals by the Water Resources Commission of Unappropriated
Water From Future Appropriation**

690-80-010 (1) Under the provisions of ORS 536.410, the Water Resources Commission may withdraw unappropriated waters from further appropriation. While an order of withdrawal is in effect, no applications for permits to appropriate the waters withdrawn may be received for filing by the Water Resources Director.

(2) The waters of the streams and lakes listed in Table 2 have been withdrawn by order of the Water Resources Commission.

Stat. Auth.: ORS Ch. 536
Hist.: See Table 2.

Subject: OAR's of course

Hi Beth, I'm confused about Division 80 (get copy of rule at this point). It looks as though the entire rule including tables has been renumbered or is 010 and table 2 the rule? Also would you say 11-7-91 is the last revision date? (part of table 1 was renumbered then). Thanks!

Sorry for the tardy response...

My rules show one section - 690-80-000.
and a Table 1. Secrets of States
date on rule is 11/1/79 and 4/85
on table.

Very strange

Beth
