

# OREGON WATER RESOURCES DEPARTMENT

725 Summer Street NE Suite A  
Salem OR 97301

**PUBLIC NOTICE OF WATER USE REQUESTS**  
**July 24, 2018**

*This notice is also available on our web page at the following address:  
[http://apps.wrd.state.or.us/apps/misc/wrd\\_notice\\_view/?notice\\_id=21](http://apps.wrd.state.or.us/apps/misc/wrd_notice_view/?notice_id=21)*

This publication lists agency activities requiring public notice. It also describes public comment processes and deadlines. Types of water use requests in this week's Public Notice include:

- \* **Permit Application Initial Reviews, Proposed Final Orders, and Final Orders**  
Applications for permits to use, store, divert or pump surface water or groundwater. Includes applications by the state Departments of Fish & Wildlife, Environmental Quality or Parks and Recreation for water to be used and kept in-channel.
- \* **Alternate Reservoir Applications (ORS 537.409)**  
Applications for storage permits for small ponds filed under a simplified review process.
- \* **Applications for Extensions of Time to Perfect Water Right Permits**  
New applications received and proposed final orders regarding requests to extend time limits to fully develop water use projects and beneficially apply water.
- \* **Transfer Applications: Regular**  
Requests to change point of diversion or appropriation, place of use, or character of use upon which the public may comment. The changes may be proposed in an application for a transfer (including instream or historic POD), an exchange, or a substitution.
- \* **Transfer Preliminary Determinations**  
Requests to change point of diversion or appropriation, place of use, and character of use upon which the public may protest the application and Department's preliminary determination.
- \* **Transfer Applications: Permit Amendments**  
Requests to amend permits.
- \* **Certificate Issuance**  
Included in this section is a listing of recently issued water right certificates.

The Public Notice is published each week on the Department's web site at <http://www.wrd.state.or.us/>. If you would like to receive a *free* weekly notification when it is published, please send your request to [Stacy.H.Phillips@oregon.gov](mailto:Stacy.H.Phillips@oregon.gov).

FP: Fire protection	LV: Livestock	TC: Temperature control
FW: Fish & wildlife	LW: Livestock & wildlife	WI: Wildlife
GD: Group domestic	MI: Mining	

## **Initial Review and Proposed Final Orders**

The following pages of this notice list permit applications that the Department is evaluating for compliance with state water law. Public participation and comment is encouraged. Opportunities for public involvement vary according to the stage of the permit evaluation.

Ground water permit applications in the Deschutes Basin (Basin 5) may seek to provide mitigation pursuant to the Deschutes Ground Water Mitigation Rules.

### **Initial Review Stage (IR)**

The Department has given the applicant an initial review of water-use restrictions, water availability and other limitations that affect the agency's decision on whether to issue a permit. The Department welcomes comments from interested persons, agencies and organizations on the proposed water use.

**The comment deadline for initial reviews appearing in this public notice is 5pm, Thursday, August 23, 2018.** Although we cannot respond individually to all comments, each will be considered as the agency makes its decision regarding proposed allocations.

### **Proposed Final Order Stage (PFO)**

The proposed final order is the Department's penultimate decision on the water use request. The PFO documents the agency's decision through specific findings, including review of comments received. If appropriate, it includes a draft permit specifying any conditions or restrictions on the use. Persons interested in receiving a mailed copy of a PFO must pay a statutorily-required fee of \$25. (Any person paying \$25 to receive a PFO by mail will also receive a copy of the Final Order when it is issued.) PFO's may be viewed free of charge online at: <http://apps.wrd.state.or.us/apps/wr/wrinfo/>. Those disagreeing with the Department's decision as expressed in the PFO have 45 days to file a protest.

**The protest deadline for proposed final orders appearing in this public notice is 5pm, Friday, September 07, 2018.**

The protest filing fee is \$410 for the applicants and \$810 for non-applicants. Detailed requirements for filing a protest are included in the PFO. Persons who support the PFO may file a "standing" fee of \$200 to retain the ability to participate in future proceedings relating to an application. Before participation in a hearing is allowed, an additional \$500 will be required to request to participate as a party or limited party.

If a protest or comment deadline falls on a day that the office is closed, then the next open business day automatically becomes the deadline date.

## **Alternate Reservoir Applications (ORS 537.409)**

For alternate reservoir applications filed under ORS 537.409, the public is invited to comment within 60 days of this notice. The law provides that within 60 days after the Department provides public notice of the application, any person may submit detailed, legally obtained information in writing, requesting the Department to deny the application for a permit on the basis that the reservoir:

- (A) Would result in injury to an existing water right; or
- (B) Would pose a significant detrimental impact to existing fishery resources as determined on the basis of information submitted by the State Department of Fish and Wildlife.

**Such comments must be submitted on or before September 22, 2018.**

## **Applications for Extensions of Time to Perfect Water Right Permits filed pursuant to OAR 690-315**

**Consistent with OAR 690-315-0050, the Department will accept public comment on the following extension applications until August 23, 2018.** Following the comment period, the Department will prepare and issue a proposed final order. Individuals who would like a copy of the proposed final order may request copies by sending a request and \$25 (the charge required by law). Please indicate the file number. Copies of the proposed final order may be viewed at the Department and/or self-copied. Individuals wishing to obtain a copy of the extension application should contact the Department by phone or in person.

## **Proposed Final Orders Regarding Applications for Extensions of Time for Water Right Permits**

ORS 537.230, 537.248, 537.630 and 539.010 authorize the Water Resources Department to extend time limits contained in water right permits for completing construction of water development projects and applying water to full beneficial use. Procedures for permit holders to apply for extensions and for the Department to evaluate and determine whether or not to approve extensions of time are contained in OAR 690-320-0010 for extensions filed before July 1, 2001, and in OAR 690-315-0010 for extensions filed on or after July 1, 2001.

Proposed Final Orders (PFO's) are the Department's preliminary decision on extension requests. They document the agency's decision through specific findings. Persons interested in receiving a mailed copy of a PFO must pay a statutorily-required fee of \$25. (Any person paying to receive a PFO by mail will also receive a copy of the Final Order when it is issued). PFO's may be viewed for free at the Department's Salem Office or at the appropriate watermaster district office.

### **Extension of Time Public Notice and Comment Procedures**

**Written comments on or written protests against a PFO must be submitted on or before September 07, 2018.** There is no fee for submission of comments. The protest filing fee is \$410 for the applicant and \$810 for non-applicants. Detailed requirements for filing a protest will be sent with copies of the PFO.

## Transfer Applications: Regular

The holder of a water right may apply to permanently change an existing water use subject to transfer as defined in ORS 540.505(4). An application may involve any of the following changes: Point of diversion or appropriation; Additional point of diversion or appropriation; Historic POD; Place of use; Character of use; Instream; Substitution; or Exchange.

The Department seeks public comment on the recently-filed transfer applications listed below. Any person may comment on a transfer application. Comments must be received by the Department on or before August 23, 2018. Any person who provides comments within the comment period will receive a copy of the Department's preliminary determination of whether the application should be approved or rejected after the Department has completed a review of the application and will be provided an opportunity to protest the application and preliminary determination at that time.

## **Transfer Preliminary Determinations**

A Preliminary Determination provides the Department's conclusion as to whether a proposed change in place of use, point of diversion or appropriation, or character of use of an existing water right should be approved. Changes of water rights may be proposed in an application for transfer (including instream, historic POD, exchange, substitution or ground water registration modification).

The Department has issued preliminary determinations on the transfer applications listed below. In addition to this notice, the Department is complying with ORS 540.520(2) that requires publication of notice in a local newspaper for all transfers except those proposing a change in place of use only or a change in point of diversion of less than ¼ mile where there are no intervening diversion points.

Any person may protest the application and preliminary determination or may file a standing statement. Pursuant to OAR 690-380-4030(3) and OAR 690-382-0900, protests must raise all reasonably ascertainable issues and include all reasonably available arguments supporting the person's position. In addition, protests must be accompanied by a \$810 protest fee for non-applicant and \$410.00 protest fee for applicant. A Water Right Transfer Protest Form is available at <http://www.oregon.gov/OWRD/PUBS/forms.shtml> or by calling 503-986-0807. Protests must be received by the Department on or before August 23, 2018, or within 30 days of the last date of publication in a newspaper, whichever is later. If no protests are filed, the Department will issue a final order consistent with the preliminary determination.

**T-11751** filed by Mike and Sallie Peila, PO Box 537 Hines, OR 97738, proposes additional points of appropriation under Certificates 36998 and 44694. Certificate 36998 allows the use of 7.8 cubic foot per second from Wells No. 1 and No. 2 in Sects. 24 and 26, T24S, R30E, WM for irrigation and supplemental irrigation in Sects. 24, 25, 26, 35, and 36, T24S, R30E, WM. Certificate 44694 allows the use of 7.13 cubic foot per second from Wells No. 1 and No. 2 in Sects. 24 and 26, T24S, R30E, WM for irrigation and supplemental irrigation in Sects. 19, 29, and 30, T24S, R31E, WM. The applicant proposes additional points of appropriation in Sects. 25 and 36, T24S, R31E, WM and Sec. 30, T24S, R31E, WM. The Water Resources Department proposes to approve the transfer, based on the requirements of ORS Chapter 540 and OAR 690-380-5000.

**T-12427** filed by Singhose Land and Cattle Co. LLC, PO Box 55, Riley, OR 97758, proposes a change in point of appropriation and a change in place of use under Certificate 91556. The right allows the use of 4.19 cubic foot per second from a well in Sec. 33, T25S, R31E, WM for irrigation in Sects. 27, 28, and 34, T25S, R31E, WM. The applicant proposes to move the authorized point of appropriation to Sec. 1, T23S, R26E, WM and to change the place of use to Sects. 1 and 2, T23S, R26E, WM. The Water Resources Department proposes to approve the transfer, based on the requirements of ORS Chapter 540 and OAR 690-380-5000.

**\*\*Continued on next page**

**T-12857** filed by Brad and Julie Waibel, c/o Bob Williams, 8055 SW Powell Butte Highway, Powell Butte, OR 97753 proposes a change in point of appropriation and a change in place of use under Certificate 55660. The right allows the use of 0.5 cubic foot per second from a well in Sec. 12, T17S, R21E, WM for irrigation in Sec. 12. The applicant proposes to move the point of appropriation within Sec. 12 and to change the place of use within Sec. 12. The Water Resources Department proposes to approve the transfer, based on the requirements of ORS Chapter 540 and OAR 690-380-5000.

**T-12906** filed by Elmwood Ranch Inc., c/o Russel Ricco, 25880 Green Haven Rd, Prairie City, Oregon 97869, proposes a point of diversion and place of use change under Certificates 32384, 32398, and 75446. Certificate 32384 allows the use of 1.6 cfs from the John Day River in Sec. 9, T13S, R33E, WM. for irrigation in Sec. 9, T13S, R33E, WM. The applicant proposes to change the place of use to Sects. 9 and 17, T13S, R33E, WM.; Certificate 32398 allows the use of 1.64 cfs from the John Day River in Sec. 9, T13S, R33E, WM for irrigation in Sects. 8, 9, 16, and 17; Certificate 75446 allows the use of 1.8 cfs from the John Day River in Sec. 9, T13S, R33E, WM for irrigation in Sects. 9, 16, and 17. The applicant proposes to move the point of diversion for all three Certificates to Sec. 9, T13S, R33E, WM. The Water Resources Department proposes to deny the transfer, based on the requirements of ORS Chapter 540 and OAR 690-380-5000, due to injury of an instream water right. The Department is seeking a recommendation from ODFW under OAR 690-380-5050. T-12906 will be denied unless ODFW and DEQ recommends the Department consent to injury of the instream right because T-12906 would result in a net benefit to the resource, and no protests are filed.

## Transfer Applications: Permit Amendments

The holder of a water right permit may apply to change a point of diversion or appropriation or to change the place of use pursuant to ORS 537.211 (4).

Notice is given that the following applications for Permit Amendments have been received by the Department. If the proposed change in point of diversion or appropriation is for a distance greater than 1/4 mile or includes intervening diversion points, notice also will be published in a local newspaper.

\* We are required by law to charge a fee of \$25 to mail a copy of proposed and final orders on a pending permit or permit extension applications to any interested person. Please include a check made out to the Oregon Water Resources Department in the amount of \$25 for each type of order you would like mailed to you. This fee entitles you to also receive a copy of the final order, when issued. Copies of proposed and final orders are also available for viewing (at no charge) at our Salem office, at the local watermaster office, or online.
