Initial Review and Proposed Final Orders

The following pages of this notice list permit applications that the Department is evaluating for compliance with state water law. Public participation and comment is encouraged. Opportunities for public involvement vary according to the stage of the permit evaluation.

Ground water permit applications in the Deschutes Basin (Basin 5) may seek to provide mitigation pursuant to the Deschutes Ground Water Mitigation Rules.

Initial Review Stage (IR)

The Department has given the applicant an initial review of water-use restrictions, water availability and other limitations that affect the agency's decision on whether to issue a permit. The Department welcomes comments from interested persons, agencies and organizations on the proposed water use.

The comment deadline for initial reviews appearing in this public notice is 5pm, Thursday, February 17, 2022. Although we cannot respond individually to all comments, each will be considered as the agency makes its decision regarding proposed allocations.

Proposed Final Order Stage (PFO)

The proposed final order is the Department's penultimate decision on the water use request. The PFO documents the agency's decision through specific findings, including review of comments received. If appropriate, it includes a draft permit specifying any conditions or restrictions on the use. Persons interested in receiving a mailed copy of a PFO must pay a statutorily-required fee of \$35. (Any person paying \$35 to receive a PFO by mail will also receive a copy of the Final Order when it is issued.) PFO's may be viewed free of charge online at: <http://apps.wrd.state.or.us/apps/wr/wrinfo/>. Those disagreeing with the Department's decision as expressed in the PFO have 45 days to file a protest.

The protest deadline for proposed final orders appearing in this public notice is 5pm, Friday, March 04, 2022.

The protest filing fee is \$480 for the applicants and \$950 for non-applicants. Detailed requirements for filing a protest are included in the PFO. Persons who support the PFO may file a "standing" fee of \$270 to retain the ability to participate in future proceedings relating to an application. Before participation in a hearing is allowed, an additional \$680 will be required to request to participate as a party or limited party.

If a protest or comment deadline falls on a day that the office is closed, then the next open business day automatically becomes the deadline date.

IMPORTANT: Due to COVID-19, the Department's office is closed to walk-in services. The Department encourages the submission of protests by U.S. mail. Please consider mailing early to ensure the Department receives the protest by the deadline specified.
