## BAKE 978

June 2, 2008

Laurie Norton  
Oregon Water Resources Department  
725 Summer St NE, Suite A  
Salem, OR 97301-1271

Dear Ms. Norton:

The owners of the Oregon Trails West RV Park, Inc. in Baker City would like to amend the well report of two wells that were installed in 1982 and 1984. The well driller wrote down the wrong section on the well reports. Permit G-13642 was issued to the owners without correcting these two well reports. Now the owners are finishing up the Claim of Beneficial Use and would like to amend these well reports concurrently.

“BAKE 985”, also known as Well #2, and “BAKE 978”, aka Well #1, both are recorded on their well logs to be located at T9S R40E Section 4 SESW in Baker County. The correct location is T9S R40E Section 9 NWNE, Baker County.

Please amend these well reports and your website with the well log information.

Attached are the two well reports, permit G-13642, and permit map.

Sincerely,

Mardell McCauley, part-owner  
Oregon Trails West RV Park, Inc.
