WATER RESOURCES DEPT.

TO Department of Water Resources

DATE 10/22/91

SUBJECT Junipine Acres Water Well  
Report

Start Card #33978

I did not see a place to enter this on the report form so  
am doing it in this manner. There were 40 sacks of cement used  
for grouting off original water bearing strata at 20 to 34 Ft.

Please advise if this is not ok.
