FINAL ORDER

Dear Mr. Kingrey:

The Special Standards Request Form you submitted for owner: Juntura School, Start Card numbers: 1049113 & 1049121 is hereby approved for the following: You may decommission these water supply well as outlined on your Special Standards Request Form dated September 23, 2020. This approval is due to you reporting that the drilling machine cannot access the well locations because: one it is located under a building and the other is too close to the building to set up over. All other well decommissioning standards must be met. A copy of your Special Standards Request Form is enclosed.

Lack of drilling machine access to the well locations was verified by Jon Sanfilippo, East Region Well Inspector.

Verbal approval of this Special Standards Request was provided on September 23, 2020.

If you have any questions concerning this letter, I may be contacted at (503) 986-0852, or by e-mail at Travis.N.Kelly@oregon.gov.

Sincerely,

Travis Kelly, Coordinator
Well Construction Program
Well Construction and Compliance Program

enclosure

cc: Jon Sanfilippo, Well Inspector, East Region

This is a final order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.
