## FINAL ORDER

Dear Mr. Kingrey:

The Special Standards Request Form you submitted for owner: Juntura School, Start Card numbers [REDACTED] & 1049121 is hereby approved for the following: You may decommission these water supply well as outlined on your Special Standards Request Form dated September 23, 2020. This approval is due to you reporting that the drilling machine cannot access the well locations because: one it is located under a building and the other is too close to the building to set up over. All other well decommissioning standards must be met. A copy of your Special Standards Request Form is enclosed.

Lack of drilling machine access to the well locations was verified by Jon Sanfilippo, East Region Well Inspector.

Verbal approval of this Special Standards Request was provided on September 23, 2020.

If you have any questions concerning this letter, I may be contacted at (503) 986-0852, or by e-mail at [Travis.N.Kelly@oregon.gov](mailto:Travis.N.Kelly@oregon.gov).
